A little bit about Huncho...

Huncho came to the centre as his previous owner could no longer keep him, he has missed out on so much in his short life. Huncho likes to live life to the max and he tackles everything head on with enthusiasm, he loves learning new things and is very eager to learn. Huncho is looking forward to a life filled with exciting adventures and long interesting walks. Huncho is an extremely active dog so will need adopters who can match his high activity levels. He will need adopters who are willing to carry on his training and introduce new activities to him to keep him both physically and mentally stimulated. He would benefit from further training classes as he is still quite boisterous and excitable. He can be quite strong on the lead which we are working on with him so this will need to be continued in his new home. Huncho can be a little shy when meeting people for the first time, once he knows you he is extremely friendly and affectionate and loves to play with his toys with you. Huncho really has the potential to be the most fantastic, loyal and faithful best friend. Although sociable with other dogs on a walk, he is best suited to being the only pet in the home. We are looking for an adult only home. DUE TO THE HIGH VOLUME OF APPLICATIONS WE ARE RECEIVING IF YOU HAVE NOT HEARD BACK FROM US WITHIN 2 WEEKS IT MEANS YOU HAVE NOT BEEN SUCCESSFUL THIS TIME FOR THIS DOG. Successful applicants will be invited to the home to meet Huncho.
