A little bit about Milly...

Milly sadly came to the centre as her previous owners could no longer keep her, she really is the sweetest cat who just craves human attention. She is such a friendly lady who deserves to be a loving home at her time of life. Milly is deaf so adopters will just need to bare this in mind. Milly enjoys the simple life, good food, a comfy bed and lots of fuss, she would just sit all day long getting stroked if she could. Milly does spend most of her days chilling in her bed asleep or just watching the world go by. If you are wanting a sofa buddy to snuggle up with and keep you company then look no further Milly is the cat for you. Milly has just been diagnosed as hyperthyroid and has started medication for this so will need to stay on this medication for life. She takes her medication no bother so please do not let this put off this gorgeous girl. She really will make the most fantastic and loyal best friend. Milly will need to be the only cat and can live with children aged 10 years and over. Milly will need to be a house cat. DUE TO THE HIGH VOLUME OF APPLICATIONS WE ARE RECEIVING, IF YOU HAVE NOT HEARD BACK FROM FROM US WITHIN 2 WEEKS IT MEANS UNFORTUNATELY YOU HAVE NOT BEEN SUCCESSFUL THIS TIME FOR THIS CAT.
