## A little bit about Ozzy...

Ozzy is a sweet boy who came to the centre as his previous owners could not manage his boisterous character, he is a high energy and playful boy who can sometimes forget his manners when he becomes over excited. New adopters must be willing to attend some training classes with him and continue with his basic training to prevent him becoming an unruly teenager. Ozzy can be quite shy when meeting new people for the first time but this does not last long and then he is all over you wanting cuddles and attention. Ozzy is an intelligent dog who is willing and able to learn new things so we are looking for adopters who want to find new and interesting things for him to do so he does not become bored. He will need adopters who have experience in owning bull breeds or who are willing to research the breed. Ozzy could live with another dog of similar character as he is very playful and boisterous after a successful introduction at the centre. He unfortunately is not suitable to live with children so will need an adult only home. DUE TO THE HIGH VOLUME OF APPLICATIONS WE ARE RECEIVING IF YOU HAVE NOT HEARD BACK FROM FROM US WITHIN 2 WEEKS IT MEANS YOU HAVE NOT BEEN SUCCESSFUL THIS TIME FOR THIS DOG. SUCCESSFUL APPLICANTS WILL BE INVITED TO THE CENTRE TO MEET HIM.
