## A little bit about Buster & Scruffy...

Buster & Scruffy came to the centre as their owner could sadly no longer keep them, they are really sweet rabbits who will make fantastic family pets. Buster and Scruffy were previously house rabbits so we would prefer them to be house rabbits again as this is what they were used to. They had their own room so are used to plenty of space, we would prefer them to have this again. It would lovely to see these beautiful rabbits happily settled in a new loving home.
