A little bit about Olaf...

Olaf is a sweet boy who came to the centre after he sadly lost his girlfriend and his previous owners were no longer able keep him. He is missing both his girlfriend and his home so it would be great to him in a loving new home with a new girlfriend. Olaf is neutered and will need to be homed where there is an existing female already. Unfortunately Olaf is not suitable to live with children. We are looking for accommodation where the hutch is a minimum of 6ft with an attached run of a minimum 8ft. Any other accommodation will happily be discussed by staff at the centre.

My personality...

I may be able to live with a female rabbit

I need to be able to go outside and explore

I'd prefer an adult only household

I like treat time and being hand-fed
