A little bit about Charlie...

Charlie is a very sweet boy who has sadly been returned to the centre through no fault of his own. Charlie is missing being part of a loving family and is unfortunately struggling to adjust to being back in the kennels. All Charlie wants is to be part of a family once more, he is very well behaved and likes nothing more than to snuggle up with you for cuddles. Charlie is a little overweight so adopters will need to carry on with his weight management routine to help him loose some weight to help with his joints. Charlie loves his little walks, he has short but regular walks in order to build his fitness up the correct way. Charlie also absolutely loves his toys and will either keep himself entertained with them or really enjoys playtime with his human, although he can sometimes get a bit greedy with his toys and not want to part with them so he is learning swappsies. Charlie unfortunately suffers with grass allergies for which he is on medication for and also a hypoallergenic diet, he suffers more in the summer months than the winter but his medication keeps it under control. Charlie is also on pain relief for his joints as he has some arthritis. Charlie will need an adult only and pet free home. **DUE TO THE HIGH VOLUME OF APPLICATIONS WE ARE RECEIVING, IF YOU HAVE NOT HEARD BACK FROM FROM US WITHIN 2 WEEKS IT MEANS UNFORTUNATELY YOU HAVE NOT BEEN SUCCESSFUL THIS TIME FOR THIS DOG. SUCCESSFUL APPLICANTS WILL BE INVITED TO THE CENTRE TO MEET HIM.**
