A little bit about Nancy...

Nancy is the sweetest little girl who came to the centre as an unclaimed stray via a local vets, unfortunately after searching her original owners were never found so she came to the centre for rehoming. Nancy is a quiet cat who seems to prefer the quiet life, spending much of her time snoozing in her bed. She will always come for a fuss and a cuddle and will stay with you for as long as she can. Nancy will be the type of cat who would love to snuggle up with you on the sofa and keep you company. She enjoys feed and treat time and then will head back to bed to sleep it off, we would love to see this kind older lady in a loving home enjoying her retirement. Nancy's blood show she is the very early stages of renal disease so she is now fed a renal diet which she actually quite likes, she will continue on this diet for the rest of her life now. Nancy would be best suited to staying as a house cat and would be suitable to live with children aged 10 years and over. DUE TO THE HIGH VOLUME OF APPLICATIONS WE ARE RECEIVING, IF YOU HAVE NOT HEARD BACK FROM US WITHIN 2 WEEKS IT MEANS UNFORTUNATELY YOU HAVE NOT BEEN SUCCESSFUL THIS TIME FOR THIS CAT.

My personality...

Unknown if i can share my house with another cat

I need to be a permanent house cat

I could live with children of secondary school age

I love a cat nap
