A little bit about Buster...

Buster came to the centre via an inspector as his previous owner could no longer take care of him. Buster is and has always been a very nervous cat so we are looking for adopters who will not expect too much from him and will give him as much time as he needs to settle in a new home. Adopters will need to have a spare room they can dedicate to him while he settles and builds his confidence, once he feels safe and happy in this room he can then start to explore the rest of the house. Once he has settled, he is a very loyal and faithful friend, he is used to a quiet life so we will be looking for adopters who can offer him the quiet life he is used to. Buster will need an adult only home where there are no other pets and he will need to be kept as a housecat. **DUE TO THE HIGH VOLUME OF APPLICATIONS WE ARE RECEIVING, IF YOU HAVE NOT HEARD BACK FROM FROM US WITHIN 2 WEEKS IT MEANS UNFORTUNATELY YOU HAVE NOT BEEN SUCCESSFUL THIS TIME FOR THIS CAT.**

My personality...
