A little bit about Fraizer...

Fraizer came to the centre via an inspector after being found in terrible condition, poor lad had an untreated flea allergy which had left him with very sore skin and he had actually lost half of his fur on his body. After lots of vet treatment and TLC Fraizer is now ready to start his new life, his fur has virtually grown back but still has a little way to go. Fraizer is such a friendly chap who is always happy to see and meet new people, although a little on the older side he does not let this stop him living life to the max. He absolutely loves his walks and getting out and about and meeting new people and sniffing new things, he is sociable with most other dogs he meets but can get a little giddy around them. His most favourite thing is to get as much attention as he possibly can, true to staffy form he will sit and be fussed for as long as you have time for. If you have an empty seat on the sofa then look no further, Fraizer will happily fill it. He walks well on the lead and is a an absolute pleasure to look after, his happy goofy personality can make you smile and cheer you up in an instance. He really is a very lovely boy who is desperate to be in a loving home and part of the family. He is suitable to live with other dogs after a successful meeting at the centre and children aged 10 years and over. DUE TO THE HIGH VOLUME OF APPLICATIONS WE ARE RECEIVING, IF YOU HAVE NOT HEARD BACK FROM FROM US WITHIN 2 WEEKS IT MEANS UNFORTUNATELY YOU HAVE NOT BEEN SUCCESSFUL THIS TIME FOR THIS DOG. SUCCESSFUL APPLICANTS WILL BE INVITED TO THE CENTRE TO MEET HIM.
