A little bit about Chloe & Ceaser...

These three little darlings came to the centre via an inspector after they were found living wild, sadly there was no sign of their mother so they were removed and brought to safety. They were so very scared when they first arrived with us, although they have come on really well they are still extremely nervous around people so we will be looking for adopters who have previous experience with very nervous cats. Chaos (the all black one) is the most confident of the three, we feel he could be separated from Chloe and Ceaser but he still would need to be homed with an existing youngish cat. Chloe and Ceaser will be rehomed together. They will need adopters who have a spare room they are willing to dedicate to the kittens while they settle in and gain in confidence. They will then slowly be able to explore the rest of the house. We feel with the correct socialising these kittens will make great pets for someone. They just need that special person willing to take a chance on them. We are looking for an adult only home but they are suitable to live with other cats. DUE TO THE HIGH VOLUME OF APPLICATIONS WE ARE RECEIVING, IF YOU HAVE NOT HEARD BACK FROM FROM US WITHIN 2 WEEKS IT MEANS UNFORTUNATELY YOU HAVE NOT BEEN SUCCESSFUL THIS TIME FOR THIS CAT.
