A little bit about Sushi...

Sushi is a very sweet but very timid girl who came to us as she was not happy with the dog in the house. Sushi has struggled with life in the cattery and spends most of her time hiding under her blanket, this scared little girl need to be in a loving new home as soon as possible. We are looking for a nice quiet home with adopters who will be patient with her and let her settle in her own time, she has taken it very hard coming into rescue and just needs a home where she can decompress in her own time. Sushi's heart is broken and all we need is for someone to see past her sadness and help mend her heart by giving her the loving home she craves. Sushi will need a pet free adult only home where she will be kept as a housecat. Please find it in your heart to offer this special girl her happy ever after.
