## A little bit about Maisie...

Maisie came to the centre as she was found all alone in terrible condition, she is a very sweet girl who really needs to be in a loving home. Maisie is a very quiet cat who likes to spend most of her time chilling out and napping in her bed, she would make a super sofa pal for someone. Maisie is very friendly and when she is not enjoying a snooze she will be first in line for some cuddles and fuss, she is not the most energetic of cats so if you are looking for a new best friend to just keep you company and snuggle up on the sofa or bed with you then Maisie is the cat for you. She has so much love to share and now just needs someone to share it with. Maisie is best suited to being the only cat in the home, could live with teenage children and would need to be a housecat.
