A little bit about Stanley & Doughnut...

Stanley and Doughnut are a very sweet natured pair of dogs who came to the centre as their previous owner was moving and could not take them with her. They are very bonded to each other so we will be looking for adopters who will take them together. Both Stanley and Doughnut are such sociable boys who are eager to say hello to everyone who are willing to stop and see them. They just love human attention and will sit and get as much fuss and attention as they can possibly get. They both love going out and about on their walks, making the most of every single second they are out so they will need adopters who are happy to take them out for nice and interesting walks and adventures. They are then happy to snuggle up for a nap after a snack. Stanley and Doughnut both love their food but more so Stanley who will literally do anything for a treat. Although they love each other a lot care must be taken around food and treats. Stanley and Doughnut will make absolutely smashing family pets and will be fun, loving and loyal. They are suitable to live with other dogs, cats and children aged 6 years and over. DUE TO THE HIGH VOLUME OF APPLICATIONS WE ARE RECEIVING, IF YOU HAVE NOT HEARD BACK FROM FROM US WITHIN 2 WEEKS IT MEANS UNFORTUNATELY YOU HAVE NOT BEEN SUCCESSFUL THIS TIME FOR THIS DOG. SUCCESSFUL APPLICANTS WILL BE INVITED TO THE CENTRE TO MEET THEM.
