## A little bit about Ollie...

Ollie came to the centre after his owner could no longer take care of him, he is a lovely lad who will make a smashing pet. We are looking for a home where there is an existing spayed female rabbit for him to bond with. Ollie was very shy when he first arrived here with us but he has slowly come out of his shell and now he seeks you out for a fuss. We would love to see Ollie happily settled in a home of his own with his new family. He is suitable to live with primary school age children and must be bonded with an existing female. We are looking for accommodation where the hutch is a minimum of 6ft with an attached run of a minimum 8ft. Any other accommodation will happily be discussed by staff at the centre.
