A little bit about Bo...

Bo came to the centre via an inspector after his needs were not getting met, he was a little shy when he first came to us but after lots of TLC he has come out of his shell and become a very sweet little rabbit who will make someone the most fantastic pet. Bo will need to be homed where there is an existing spayed female rabbit, he would love a little girl to snuggle up with and share his veg with. Bo's accommodation will need to be a hutch of minimum 6ft and an attached run of minimum 8ft, staff will be happy to discuss any alternative accommodation with adopters.

My personality...

I may be able to live with a female rabbit

I need to be able to go outside and explore

I could live with children

I like treat time and being hand-fed
