A little bit about Oliver & Nancy...

Oliver and Nancy came to the centre as their devoted owner sadly passed away. Oliver and Nancy are very bonded to one another so we will be homing them together. Oliver is a very friendly and confident boy where as Nancy is a very shy girl who relies on Oliver to help her with her insecurities. Oliver and Nancy will need adopters who lead a quiet lifestyle as this is what they are used to, Nancy just will not cope in a busy household. Oliver's main aim in life is to get as many cuddles and fusses as he can possibly get, he will even jump on your shoulder and snuggle in. Nancy does like a fuss but likes to do it at her own pace, once she knows you she is very affectionate and will come and sit on the sofa with you for snuggles. These two gorgeous cats will make the most loving, loyal and fantastic friends for the people lucky enough to take them home with them. Oliver and Nancy are both FIV positive so will need to be permanent housecats. They will need an adult only pet free home. DUE TO THE HIGH VOLUME OF APPLICATIONS WE ARE RECEIVING, IF YOU HAVE NOT HEARD BACK FROM FROM US WITHIN 2 WEEKS IT MEANS UNFORTUNATELY YOU HAVE NOT BEEN SUCCESSFUL THIS TIME FOR THIS CAT.
