## A little bit about Patches...

Patches came to the centre via an inspector after his needs were not getting met. Patches is a lovely lad but due to his past he has been left slightly nervous of men. Patches was physically abused by his previous owners so his nervousness around some men is understandable. Once Patches knows you and trusts you he is the most affectionate, playful and loving lad you could wish for. Potential adopters will need to be patient with Patches so he can build a bond and learn to enjoy life and make up for lost time. He has missed out on so much love and affection and has so much love in that heart of his to share with his special someone. Patches will need adopters who will not leave him on his own for long periods as he does struggle when he is on his own for more than a couple of hours. Adopters may need to do multiple meet and greets with Patches before adoption so he builds a bond with you before taking him home. Due to some previous injuries Patches needs daily pain relief which he takes very well in some food, despite this he still loves his walks and makes the most of every minute he is out. Staff will be happy to discuss in more detail to any potential adopters. Patches will need an adult only pet free home. DUE TO THE HIGH VOLUME OF APPLICATIONS WE ARE RECEIVING IF YOU HAVE NOT HEARD BACK FROM FROM US WITHIN 2 WEEKS IT MEANS YOU HAVE NOT BEEN SUCCESSFUL THIS TIME FOR THIS DOG. SUCCESSFUL APPLICANTS WILL BE INVITED TO THE CENTRE TO MEET HIM.
