## A little bit about Tyler...

Tyler came to the centre via an inspector as his previous owner became unwell and could no longer keep him. Tyler will need an experienced owner as he does have some complex needs. He is a very friendly but independent dog who likes to be with you and get a fuss but will also take himself off for some alone time. When he does take himself off, adopters will need to know that he wants to be on his own and leave him to it. Tyler can be quite a stubborn boy when he wants to be but new adopters will get to know and love his quirky ways just like we have. He is a bit of a ladies man and is very much loved here at the centre, he just needs an understanding adopter. When he first arrived here his beautiful coat was very matted and dull, he was also in some pain with his joints. He did not like being groomed so a training plan was put in place and staff have worked hard to get him to a point where he will accept being groomed. His new adopters will need to carry on with this training so his coat will stay nice and groomed. He does have some arthritis in his joints for which he receives daily medication for, along with this and some weight loss Tyler is a much happier and active boy. Tyler will need an adult only, pet free home. DUE TO THE HIGH VOLUME OF APPLICATIONS WE ARE RECEIVING IF YOU HAVE NOT HEARD BACK FROM US WITHIN 2 WEEKS IT MEANS YOU HAVE NOT BEEN SUCCESSFUL THIS TIME FOR THIS DOG. SUCCESSFUL APPLICANTS WILL BE INVITED TO THE CENTRE TO MEET HIM.
