A little bit about Poppy...

Poppy came to the centre after her previous owner could no longer keep her, she is a sweet girl who just needs an understanding adopter who will just let her settle in her own time. Poppy is a very active cat who will need to be able to lead an active lifestyle with adopters who are prepared to give her the time to play with her and keep her entertained. If you are looking for an independent, fun loving and friendly cat who knows her own mind then Poppy is the cat for you. Poppy will need to be the only pet in the home and can live with children aged 14 years and over.

My personality...

I'd prefer to be the only cat in a home

I need to be able to go outside and explore

I'd prefer an adult only household

I'm full of energy and love to play
