## A little bit about Dapple & Tricky...

Dapple came to the centre as an unclaimed stray, she had an injury to one of her toes which unfortunately was too old to be fixed so she had it amputated. This has not affected her at all and she manages very well. Dapple will need an experienced owner who will give Dapple the space she needs as she can be a little territorial. Dapple is quite an independent rabbit who likes to keep herself to herself and does not enjoy much handling. In the right home Dapple will make a great pet as she has so much character and is a cheeky happy little girl. Tricky is a sweet little rabbit who was born at the centre after his mum and dad were not wanted by their previous owner any longer. He is a young, cheeky and playful little boy who will make a wonderful and entertaining family pet. These two rabbits have been bonded here at the centre and they love each other so much. They would be suitable to live with children aged 14 years and over. We are looking for accommodation where the hutch is a minimum of 6ft with an attached run of a minimum 8ft. Any other accommodation will happily be discussed by staff at the centre.
