## A little bit about Molly...

Molly came to the centre via an inspector after she was found in a terrible state, Molly had sadly been kept confined to a crate for most of her life until she was signed over into our care. Molly went out into foster where she learned to be a dog again. She was successfully housetrained and learnt some basic training. Molly is a very sweet and friendly girl who just loves to be with her people, she is playful, affectionate and very loving. Molly currently has a training plan in place as she became quite unsure around other dogs and was a little reactive when on the lead. Molly is a very intelligent girl and has already greatly improved since starting with her training, adopters will need to be prepared to carry on with her training as she so keen to learn. We would love to see Molly settled in a new home with people who will love and cherish her. She will need to be the only pet in the home and could live with children aged 10 years and over. **DUE TO THE HIGH VOLUME OF APPLICATIONS WE ARE RECEIVING, IF YOU HAVE NOT HEARD BACK FROM FROM US WITHIN 2 WEEKS IT MEANS UNFORTUNATELY YOU HAVE NOT BEEN SUCCESSFUL THIS TIME FOR THIS DOG. SUCCESSFUL APPLICANTS WILL BE INVITED TO THE CENTRE TO MEET HER.**
