A little bit about Rhodda & Pepsi...

Rhodda was born here at the centre after his mother was removed by inspectors after being found in horrendous conditions, Pepsi came to the centre via an inspector after her needs were not getting met. They have been bonded here at the centre and are now inseparable. They really are a very sweet pair of rabbits who will great a great addition to the family, we would love to see them both settled in a loving new home. We are looking for accommodation where the hutch is a minimum of 6ft with an attached run of a minimum 8ft. Any other accommodation will happily be discussed by staff at the centre.
