A little bit about Oliver...

Oliver is a very sweet natured boy who came to the centre in really poor condition, poor Oliver was extremely underweight, limping on one of his legs and very shut down. Since arriving at the centre and having received good food, veterinary treatment and lots of TLC Oliver has flourished and become a very loving, affectionate and friendly dog. Oliver loves being around both people and other dogs (medium to large breed only) and loves to try and play. Oliver will need adopters who will not leave on his own for long periods while he settles in as it is quite possible this poor lad has never actually lived in a home environment before. Since being at the centre Oliver has shown a real fear and reluctance to walk on laminate flooring, we have to carry him so his new adopters will either need to have carpet or plenty of rugs down. He may learn that it is ok to walk on laminate in time but for now he is really fearful of it. Oliver is such a great dog who has not had the best start in life at all, his condition when first arriving just showed how neglected he had been. He is now ready to start a new life with a new family who will love and care for him and show him the joys of life. Oliver is ready for his happy ever after. He is suitable to live with children aged 10 years and over and suitable to live with another dog of medium to large breed after a successful introduction at the centre. DUE TO THE HIGH VOLUME OF APPLICATIONS WE ARE RECEIVING IF YOU HAVE NOT HEARD BACK FROM FROM US WITHIN 2 WEEKS IT MEANS YOU HAVE NOT BEEN SUCCESSFUL THIS TIME FOR THIS DOG. SUCCESSFUL APPLICANTS WILL BE INVITED TO THE CENTRE TO MEET HIM.

My personality...

I need training how to sit nicely (and then I can master the rest)

I need teaching that it's ok to be alone

I could live with children of secondary school age

I love to snooze

I may be able to live with another dog

I love food and treats
