## A little bit about Ajak...

These adorable little puppies came to the centre via an inspector after their needs were not getting met, they along with their brothers and mum were all very underweight and malnourished. They are now ready to start looking for their forever homes. They are friendly, active and playful little puppies who will make great pets, adopters will need to lead an active lifestyle as the Dutch Herder is a working breed who like to be kept busy. Adopters will need to do some research on the breed before applying to adopt these puppies. They are intelligent dogs who even at this young age are loving life and love investigating new things. They will need adopters who are home most of the time while they are still so young to give them the best chance of a happy healthy life. They are suitable to live with other compatible dogs and children aged 6 years and over. **DUE TO THE HIGH VOLUME OF APPLICATIONS WE ARE RECEIVING IF YOU HAVE NOT HEARD BACK FROM FROM US WITHIN 3 WEEKS IT MEANS YOU HAVE NOT BEEN SUCCESSFUL THIS TIME FOR THIS DOG. SUCCESSFUL APPLICANTS WILL BE INVITED TO THE CENTRE TO MEET THEM. CLOSING DATE FOR APPLICATIONS 10.06.2022**
