## A little bit about Bodhi...

Bodhi is a special little cat who is looking for a home with extra special adopters who will take a chance on an ex street cat who has been left with anxiety around humans due to the abuse he suffered while living on the streets. Staff on the cattery have been working very hard to try and help him overcome his fears, he has come on so much since his first arrived at the centre but sadly he still has along way to go. We can see such an improvement up to now that we now feel he is ready to start his search for his forever home. Adopters will need a secure spare room they can dedicate to Bodhi until he feels safe in his new surroundings. Adopters will need lots of time and patience with Bodhi and understand the traumas he has suffered when he was living on the streets. We believe he will make a great pet if someone will take that chance on him. He will need an adult only, pet free home where he will be a permanent house cat. DUE TO THE HIGH VOLUME OF APPLICATIONS WE ARE RECEIVING, IF YOU HAVE NOT HEARD BACK FROM FROM US WITHIN 2 WEEKS IT MEANS UNFORTUNATELY YOU HAVE NOT BEEN SUCCESSFUL THIS TIME FOR THIS CAT.
