## A little bit about Rodney...

Rodney is a really sweet boy who came to the centre as his previous owners could no longer keep him. On first meetings Rodney can be a little reserved and shy but once he knows you he is an absolute cuddle monster, if he could get on your lap he would. He loves his cuddles more than anything else in the world, he is a proper leaner and will lean in for cuddles at any opportunity. Rodney is still ever so nervous around men but is getting better and better, for this reason adopters will need to be prepared to do multiple meets at the centre if needed. Rodney is sociable with other dogs but sadly got bullied by the other dog in his previous home, he would be able to live with another dog after a successful introduction at the centre. Rodney does not have any recall at the moment so adopters must be prepared to be patient and put some training in with him before even thinking about letting him off his lead. Rodney will make a smashing addition to the family, he is suitable to live with other dogs and children aged 13 years and over providing they understand his shyness. **DUE TO THE HIGH VOLUME OF APPLICATIONS WE ARE RECEIVING IF YOU HAVE NOT HEARD BACK FROM FROM US WITHIN 2 WEEKS IT MEANS YOU HAVE NOT BEEN SUCCESSFUL THIS TIME FOR THIS DOG. SUCCESSFUL APPLICANTS WILL BE INVITED TO THE CENTRE TO MEET HIM.**
