## A little bit about Stella...

Stella is a sweet girl who sadly got returned to the centre after 8 years as her previous owner could no longer keep her, Stella will need a nice quiet home where she can relax and not have a care in the world. Stella spends most of her days in her bed snoozing and dreaming of her new home. Stella is a gentle cat who will make a fantastic pet for someone who wants a loving, friendly and affectionate cat. Stella just loves being with people and will you keep you company through the cold lonely nights. Stella really misses being part of a family so we are hoping someone will find it in their hearts to adopt this beautiful girl. Stella will need an adult only home where she is the only pet in the home.
