## A little bit about Coco...

Coco came to the centre via an inspector after her needs were not getting met, she is a sweet but very nervous girl who will patient, experienced adopters who will understand her insecurities and help her to forget her past. Once Coco has learnt to trust you she is a very loyal and friendly dog who will love you forever. Coco will need time to adjust to her new home and adopters so any potential adopters will need to be able to come to the centre for multiple meet and greets before adoption. Everything with Coco will need to be done one step at a time and slowly does it. Coco will need an adult only, pet free home. Please note, we will be collecting Perfect Match Forms for Coco and selecting the most suitable home for her.
