A little bit about Smudge & Charly...

Smudge & Charly came to the centre as their previous owner could no longer take care of them, they are shy little kittens but coming out of their shell day by day. They are typical youngsters, playful, lively and mischievous. They are very bonded to each other so we are looking for a home where they will stay together, they will need adopters who will not leave them on their own for long periods while they are still so young. They are suitable to live with other cats and children aged 10 years and over.

My personality...

I may be able to live with another cat

I could live with children of secondary school age

I love company and would like you to be around a good part of the day
