## A little bit about Khalessi...

Khalessi came to the centre via an inspector after she was found in appalling condition, she is now fit and healthy and ready to leave the past behind her. Khalessi is a young, playful and bouncy dog who will need a home with active adopters to keep her both physically and mentally stimulated. Khalessi is a friendly girl who is very sociable with both people and other dogs, she is very boisterous which we are working on but she would benefit from attending some training classes. We are looking for adopters who have experience with either having had a doberman before or a similar breed of dog. Khalessi is not used to being left on her own so will need someone who is at home most of the time and who is willing to put the time in to train her. Khalessi is suitable to live with other dogs and children aged 10 years and over. PLEASE NOTE, WE WILL BE COLLECTING PERFECT MATCH FORMS AND SELECTING THE MOST SUITABLE HOME FOR HER.
