## A little bit about Cheddar...

Cheddar came to the centre via an inspector after his welfare had become compromised. Unfortunately Cheddar has had a pretty tough life up to now and he now looking for a second chance. Cheddar is looking for adopters who are experienced with dogs that need some understanding, patience and lots of TLC. Once Cheddar knows you he is a very affectionate boy who loves to be with his people, he is a very loyal dog who will make a wonderful best friend for the right person. Cheddar needs adopters who will help him with his insecurities and help him make up for lost time. Potential adopters will need to meet with our behaviourist before adoption to give him the best chance of settling in to his new home. Cheddar will need to be the only pet in an adult only home.
